Rotarian of the Week

Guiding Principles of Rotary

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Mission

The mission of Rotary International, a worldwide association of Rotary clubs, is to provide service to others, to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

The Four-Way Test

The test which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Mike and Ben Green make up the law firm of Green & Green that has a primary focus on business and estate planning with a clientele that blanket the South Bay communities. Even saying that it is likely that **30% of you, or more, don't have current** estate transfer documents or the documents to dispose of your business interests in the event that you get run over by one of Miesen's trucks. They will help plan your trip to the pine box to be more enjoyable, call either Mike or Ben, they are thorough.

[What your gift to The Rotary Foundation supports](#)

A gift of \$50 helps provide a personal water filter, offering simple, sustainable access to clean water in places like rural Guatemala. Every year, hundreds of thousands of people — children, families, and entire communities — benefit from projects funded by The Rotary Foundation. For #GivingTuesday on 2 December, Rotary invites you to consider how your gift can help the Foundation continue to create positive, lasting change.
