COROTATOR

Coronado Rotary's long nightmare has come to an end! The king is dead! Long live the king! The Noblest Trojan of Them All, **President Walt**, gaveled the new Rotary Year open. And, a full house was on hand, no doubt expecting to witness a train wreck! **President Walt** talked about some of the recent doings as evidence that this is the most dynamic Club in all of Rotary! Admitted into evidence: 940 participants in, and \$72,000 raised, at the annual Low Tide Ride & Stride. Concert in the Park with Rotary sponsoring the United States Marine Corps Band and attended by at least four million people! And, our wonderful Rotary Exchange students, and all of this in the last two or three weeks. Oh, yeah, there was a meeting to run so **President Walt** asked **Edward Harrison** to give a proper invocation, **Ross White** found his voice and led us in "God Bless America," and **Dan Orr** aka The Scribe introduced all the visiting Rotarians.

Rotary Notes of Interest & Announcements

1. The most coveted and prestigious award of the Rotary Club of Coronado, Rotarian of the Year, was awarded to **Bill Sturgeon** during President Walt's Installation Dinner. The highlights of Bill's service to Rotary are Rotary Youth Exchange, serving as president of our Club, and as District Governor of District 5340.
2. Leadership & Development Academy Registration. Yes it is that time of year again...to register for our District "Leadership & Development Academy." A GREAT course that teaches how to make Rotary work. Registration form, Course Description and more information can be found at the LDA Site on the District Web page. August 15 is registration deadline. Questions, give Dale Bailey a call...Dale 619-298-5340 >>> More information: www.rotary5340.org/academy/index.html
3. Finally, **Jerry Easton** inducted **Lou Milioti**, sponsored by **Greg Walker**. Lou's classification is Yacht Club Management.
4. Our Foundation chair, **Jim Kaufman**, passed out the latest Paul Harris Fellowship awards. Receiving their first were **Jean Dekker**, and Maryann Chapple. **Sue McNary** earned her second, **Patrick Yassini** his third, **Chuck Howe** and **Mike Chapple** their sixth, and past-president **Steve Haley** his seventh.
5. Ten Rotarians were recognized by **President Walt** for perfect attendance in 2011-2012. Well done!
6. The cornucopia of San Pasqual Academy yielded melons and corn today. **Debby Syverson** brought the gifts of offering in thanks for all of Rotary's support for SPA.

Service Project of the Month: Concert-in-the-Park

President Walt Heinecke and more than 60 Coronado Rotarians and guests enjoyed Sunday's Concert-in-the-Park, sponsored by Coronado Rotary. 13 Youth Exchange campers and their "families" from both Coronado and Encinitas Rotary attended as well. A grand ol' time was had by all!

These capable LTR&S volunteers helped register a record 938 participants in the BEST Low Tide Ride and Stride event yet. Thanks to all volunteers!

Beach Clean-up is this Saturday, July 14th. Meet at 8am at Central Beach and stay for fellowship afterwards!

News From Past Meetings

1. Rotary Board meetings are the **THIRD** Tuesday of each month. Same time, same place (the world headquarters of the Gensler Group at 4:30 p.m.).
2. You asked for it: Rotary Day at the Races will be Saturday, August 18, and **Bill Sandke** is the go-to guy.
3. Planning Guides are out. Please fill them out and return them ASAP or **President Walt** will fill them out for you, and you might not like the committees or financial responsibility he assigns.

Fines and Recognitions

1. **President Walt** was a little bent out of shape that **Dan Orr** passed on Walt's Installation Dinner in favor of his daughter's birthday party. Annemarie has had twenty-seven birthdays; **President Walt** only gets one Installation as president! \$50.
2. The Port District honchos were still in hiding, so **President Walt** entertained confessions.
3. **Win Prescott** traded in a Euro-trash car for a new Cadillac. \$50.
4. Pick up the new San Diego Magazine. **Dwight Settle's** daughter is on the cover! \$50.
5. **Doug Weisbarth's** sportscaster son may be out of a job, but he's still winning Emmy's.

Program

The life and times of **President Walt**! Born in Oceanside, raised in Coronado, teen angel, straight A Student, all-around athlete, Mighty Redlands Bulldog, thirty years in the US Navy, PhD, husband, father, and grandfather, and one of the all-time great guys. The state of the Rotary Club of Coronado is good. Our operating budget raises and spends \$201,000 per year, and our Foundation budget, thanks to the Golf Tournament and LTR&S, raises \$182,000 and we spend \$164,000. **President Walt** intends to take advantage of our strengths: A strong history, financial stability, and dedicated committee members in order to make us an even better club. **President Walt** would like to see better utilization of the members, more district involvement (fat chance), increased giving, and enhanced public relations (as if Coronado didn't know Rotary was around!). He has a lot of other ambitious plans, but you're going to have to come to the meetings to find out. So, the new Rotary Year has started with the new regime fully ensconced. Share Rotary with your friends, and do whatever you can do!
