GIRL'S HUMOR

While the C-5 was turning over it's engines, a female crewman gave the G.I.s on board the usual information regarding seatbelts, emergency exits etc. Finally she said, "Now sit back and enjoy the trip while your Captain Judith Campbell and crew take you safely to Afghanistan."

An old Master Sergeant sitting in the eight row thought to himself, "Did I hear her right? Is the Captain a woman?"

When the attendant came by he said, "Did I understand you right? Is the Captain a woman?"

"Yes" said the attendant, "In fact this entire crew is female."

"My God," he said. "I wish I had two double scotch and sodas. I don't know what to think with only women up there in the cockpit."

"That's another thing, Sergeant," said the crew member, "We no longer call it the Cockpit, It's the Box Office."

Quote of the day: Whatever you give a woman, she will make it greater. If you give her a sperm, she'll give you you a baby. If you give her a house, she'll give you a home. If you give her groceries, she'll give you a meal. If you give her a smile, she'll give you her heart. She multiplies and enlarges what is given to her. So if you give her any crap, be ready to receive a ton of shit!
